[Zamarat and pillars of devils satan there are three symbolic pillars of satan or devil at a place called jamarat before reaching at mina the pillars were in an open field before now a multi storied building has been built there called jamarat bridge to make easy the stoning rituals of the pilgrims this stoning is one of the haji rituals called romi performed here by the pilgrims with stoning of seven pebbles one by one on each of the three pillars of devils](#)

[From the west side first pillar of the devil is called jamaratul aqaba or big devil after 730 feet apart the second or middle pillar of the devil is called jamaratul usta or smaller devil and 490 feet apart from the middle one stands the last pillar of devil is called jamaratul uola or little devil these three pillars are now expanded like wall and heighten up to the top floor of the jamarat bridge so that pilgrims can easily stone the satans from all floors](#)

[Mina mina is a valley 5 km to the east of the holy city of makkah situated in makkah province of saudi arabia mina is also called city of tents thousands of air conditioned fireproof white tents covering the entire valley used for the haji pilgrims every year the tents are permanent structure and remain empty other than haji season first step of haji ritual begins in this city on 8th of jul hujjah pilgrims come to mina in the morning stay the day](#)

[14](#)

[And night in the tents sacrificing animals are also performed in this valley in separate area](#)
